

IC AG, PR & communication agency located in Hamburg, and **seosupport GmbH**, search engine optimization & online marketing firm sited in Berlin, to make common cause.

On one hand IC's PR campaigns achieve higher reach thanks to seosupport's services. On the other hand seosupport benefits from IC's high quality content work. This has become essential for today's content marketing.

Thus, both companies achieve optimized results on behalf of their customers.

„Two powerful companies – for your success!“

IC AG from Hamburg has considerable customers (B2C and B2B) in Germany and abroad. Customized communication solutions for small and medium-sized enterprises (SME) and for global players are the agency's core competence. Both, specialized staff and the management care for each client. Beyond that, IC partners with almost 50 PR agencies on all continents through the Public Relations Global Network to handle cross-border accounts.
